# Livestock Sale Policy

“Beginning in the 2014-15 club year, 4-H Livestock members must have attended the majority (one over half) of their club meetings scheduled from October through June before they become eligible to sell their animals in the fair livestock sale. Only those 4-H members who are away attending college or a secondary institution are ‘exempt’ but should try to attend a club meeting during their winter or summer break. 4-H Club secretaries will be required to submit the secretary book to the Extension Office before the Fair.”
